

Washington D.C. Region SCCA Frederick County Historic Bridge Tour Sunday, June 27, 2010

Frederick County, Maryland is home to 216 bridges over 20 foot span, of which 26 are historic, and 10 on the National Register of Historic Places. This includes three covered bridges, a stone arch bridge, and 22 metal truss bridges. Last year, this rally traversed a number of the historic bridges in the eastern half of the county. This year's event will cover most of the bridges in the western half of the county, and revisit the northern bridges from last year. Information about the bridges will again be provided.

The event itself will be a straight-forward Time-Speed-Distance Monte Carlo style rally of around 100 mostly paved competitive miles (about 5% high quality unpaved). Timing will be scored to 1/100 of a minute (0.01 minute). All cars are welcome. Classes will be provided for Vintage (pre-1970), Historic (1970-1981), Novice (10 or fewer rallies), and the SCCA classes of Stock, Limited, and Equipped.
