

The 2020 Spring iRacing season kicks off on Wednesday the 22<sup>nd</sup> of January and continues for the next 8 weeks – *see schedule below* – and for the first time we’re racing the super popular **Skip Barber Formula 2000!**

Join us each Wednesday evening for two exciting sprint races in the Skippy and in addition to the 6-round championship we will hold two endurance rounds for GT-class cars just to mix things up a bit.

All our events are livestreamed to YouTube by SYMtv and new for this season, our races will be simulcast to the Region’s Facebook page!

Current league members will receive additional information in the coming weeks and for anyone interested in joining us or just want to know more about the Region’s Virtual Racing program please go to <https://wdcr-scca.org/virtual-racing> or send an email to [sim-racing@wdcr-scca.org](mailto:sim-racing@wdcr-scca.org) and we’ll be happy to steer you in the right direction.
