Please remember that if your vehicle received a tech inspection last season it is valid for 1 year from that date. If the vehicle was inspected in August of 2017 it isn't due again until August 2018. Your personal protective gear will require a current inspection prior to the first event of the season.

Also, Robert Rivello is available for inspection by house call and can be reached at 703-913-9388.
